

Photo Release Form

This form explains potential uses of student photographs and video images by Abilities Dance (AD) and allows you to grant or deny permission to AD to release your child's image for display or publication.

Abilities Dance uses internal and external media to highlight the program experience in a variety of ways, which may include the use of photographs and videos of students. For example, student images may be published or displayed in printed materials (such as brochures and newsletters), videos, our website, and social media platforms.

Parents may deny permission for any display or publication of their child's image. You should select this option if you do not want your child's photograph to be used on the Abilities Dance website or on our social media accounts.

PHOTO/VIDEO RELEASE:

- I deny permission to use my child's image for display, publication or release to external organizations.
- I grant permission for use of my child's image in print, video and/or digital media. I understand that my child's image may be used or released by Abilities Dance without additional notification.
